

**GRANT COUNTY**  
**APPLICATION FOR PERMIT**  
**PUBLIC UTILITY/PIPELINE & OTHER CROSSINGS**

***REVISED AND EFFECTIVE AS OF FEBRUARY 4, 2008***

TO: THE BOARD OF COUNTY COMMISSIONERS – GRANT COUNTY  
112 EAST GUTHRIE, ROOM 104  
MEDFORD, OKLAHOMA 73759  
TELEPHONE: 580-395-2214 FAX: 580-395-2603

The undersigned or petitioner requests permission to establish or construct the following described Public Utility or Pipeline Route or Other Crossings as described below and in accordance with the provisions as listed below.

Describe route below and use GRANT COUNTY ROAD CROSSING PLAT OR A PLAT showing approximate distance to Section Line or ¼ Corner. In the event of parallel routes show distance to Section Line.

---

---

---

---

---

- 1) Applications for road crossings must be submitted to the Grant County Clerk no later than five (5) days before a meeting of the Grant County Board of Commissioners with a check for \$500.00 per crossing made payable to Grant County Commissioners.
- 2) All telephone companies and public utility companies shall be exempt from the inspection fee, but still must file an application with the Board of County Commissioners. The petitioner/contractor SHALL call \_\_\_\_\_ forty-eight (48) hours prior to actual construction, so the inspector from Grant County can be at the site during construction.
- 3) Blasting is not permitted within the County right-of-way, except in unusual circumstances, and only with special, prior approval from the Grant County Board of County Commissioners.
- 4) In constructing utility, pipelines or other routes that cross County Highways or Roads NO DITCH OR TRENCH shall be opened by the petitioner/contractor. All crossings shall be BORED and cased unless either is waived by the respective District County Commissioner PRIOR to the submission of this permit for approval from the Board of County Commissioners. (Use “Addendum A” to apply for waiver.)
- 5) When paralleling the roadway, lines shall be located within one (1’) foot of the R/W line or the fence line, if a fence is in place. If no fence exists the R/W line shall be located by an Oklahoma Registered Land Surveyor at the petitioners’ expense. A copy of said survey shall be provided to the Board prior to granting a permit. In no instance shall any line be placed within the limits of the roadbed. All underground parallel installations shall be a minimum of forty-eight (48) inches deep from the

bottom of the ditch. All overhead parallel installations shall not cross any point of access to the county road at a height of less than eighteen (18) feet.

- 6) The Petitioner agrees to erect any overhead lines to the clearance height and other rules of construction, as prescribed by the Corporation Commission of the State of Oklahoma.
- 7) All Section Corners and ¼ Sections Corners shall be protected, no utility, pipeline, or other lines shall cross an intersection diagonally and no lines shall cross within fifty (50) feet of a ¼ Section.
- 8) The Petitioner agrees to keep the road open to traffic unless otherwise agreed to or approved by the Board of County Commissioners of Grant County.
- 9) Petitioner will move or lower said utility line, pipeline, or other lines if and when it interferes with highway construction or maintenance, upon notice from the Board of County Commissioners at said Petitioners expense.
- 10) All underground crossings shall be a minimum of four (4) feet below the elevation of the bottom of ditch line or as required by District Commissioner. High pressure line crossings shall be a minimum of four (4) feet below the elevation of the ditch AND covered with a concrete slab from R/W to edge of roadbed.
- 11) Petitioner agrees to increase by one (1) wall thickness all steel pipes and all other pipe will be sleeved (cased) at each road crossing and extend from R/W to R/W.
- 12) The Petitioner agrees to hold free and blameless Grant County for any damage to persons or property caused by construction or maintenance of any poles, posts, stub, pipes, valves, wires and other property placed on or under said roadway, pursuant to this permit. Petitioner further agrees to be responsible for repairing all damages to the roadway caused by the petitioner/contractor's construction. This responsibility includes, when and where appropriate.
- 13) Petitioner assures that all necessary permits have been received from those governmental agencies from with approval is required by Federal of State Laws.
- 14) Effective February 4, 2008 there will be a \$500.00 penalty for failure to comply and the crossing will come into compliance within 21 days. Failure to come into compliance within the 21 days a \$500.00 per day penalty will be assessed until compliance is met. Additionally, no other Permit Crossings will be approved.
- 15) Failure on the part of the petitioner to comply fully with the rules herein stated shall cause the petitioner to forfeit his/her right to easement on said county R/W, as per O.S. 69 §1401 April 20, 2004.
